WELL ...

LISTENING TO YOUR STORY REMINDED ME OF AN OLD TALE.

There once was a girl who bore the power to resurrect the dead.

Fearing what troubles such a power might bring, her parents strictly forbade her from ever using it.

Upholding the words of her parents, the girl grew up peacefully. She even managed to find a lover.

But her happiness proved to be short-lived.
One night, the two were attacked by bandits.
HEHEHE... THAT'S A FINE WOMAN YOU GOT THERE.

DEATH GIRL 2 魔喰

Hi, this is HOMARE. I had the privilage of using a zombie theme for the second character. I tried to portray this character, Pain Gorebitch, as an uber sadist who feels sexually aroused and comes big time as she tortures and kills her victims. For her appearance, I drew my inspiration from my favorite zombie flicks: Battalion 1 & 3.
